

Brooklin Mill Montessori School Summer School 2017

July 5-14: Happy 150th Birthday Canada!

Join us as we celebrate Canada's 150th birthday. We will explore Canada from coast to coast, decorate provincial flags, and discover some amazing Canadian landmarks. On July 10, we will enjoy a special presentation by **Mystic Drumz** titled "Canukstruments", using Canadian-made percussion instruments.

July 17 - 28: We're Going on a Bear Hunt

We're Going on a Bear Hunt

Come explore the different species of bears in the world and enjoy stories about our favourite fictional bears. During our first week of this theme, we will **make our own stuffed teddy bears**. We look forward to hosting our furry friends at a special **Teddy Bear Picnic** in the last week of July.

July 31-August 11: Jurassic Adventures

Calling all paleontologists to study the fossils, dinosaur footprints, and prehistoric eggs we will uncover. Dinosaurs lived more than 65 million years ago, but scientists continue to uncover new facts and theories that we will explore. Join us on an **archaeological dig** during the second week of August to apply all we have learned. (Note: We will be closed on Monday August 7 for the Civic Holiday.)

August 14 - 25: Art Attack

Bring your creativity to make some amazing art with the help of our resident fine artist, Ms Carter and special guests. We will study some famous artists and apply their techniques to develop our talents. On August 15, join us for a guest-led workshop to experience **Sand Art** (or Tie-Dye for our toddlers). During the second week of Art Attack, we will assemble our own **Art Gallery** to show off our masterpieces.

August 28 - 30: Farewell Fun and Games

As Summer School draws to a close on Wednesday, we will enjoy a creative mix of games, stories, and outdoor adventures. Challenge your reflexes with games of hot potato, musical chairs, and Twister! Don't forget to bring your own favourite game to share. (No program offered Thursday or Friday so we can host Meet the Teacher visits. See you when school starts again on Sept. 5th!)
