

**Brooklin Mill Montessori School  
First Day of School Checklist**

- 1 pair of black indoor shoes that I can manage by myself (e.g. slip-on or Velcro closures) clearly labelled with my name.
- 1 labelled pouch or bag with a full change of clothes to keep at school (a Ziploc bag works well), including 1 top, 2 bottoms, 2 pairs of underwear, and 2 pairs of socks. My extra clothes do not need to comply with school dress code but should be labelled with my name and replenished when used.
- a supply of diapers (or pull-ups if I am toilet-learning), wipes, and skin care supplies (e.g. powder, cream to treat diaper rash) if I am not yet independent with toileting for use throughout the day or just at naptime, depending on my skills. Our storage space is limited, so we appreciate smaller quantities provided more frequently and will provide you with notification as supplies get low.
- 1 photograph of me (not bigger than 3 x 5") for my teacher's file.
- 1 labelled blanket to use on my rest cot at naptime (if I nap after lunch). My blanket will come home each weekend for laundering. Cot sheets will be supplied by the school and laundered weekly or more often if needed.
- 1 big hug and kiss to send me confidently on my way!
